

## ***I want to sing on stage***

*Compositor: Yvan Esmanne & Alain Bruyère- Authors: Esmanne Yvan & Alain Bruyère.*

*What I'm gonna do is to sing for you a new song with a refrain  
Wha I'm gonna do is to sing for you a new song that you understand  
Please now clap your hands  
Please no sing with the band*

*Right now I want to sing on stage  
Right now I want to dance on stage*

*What I'm gonna do is to sing for you a new song you won't forget  
What I'm gonna do is to sing for you a new song you won't regret*

*Come on clap your hands  
Come on join the band  
Right now I want to sing on stage  
Right now I want to dance on stage*

*A song only for you  
A song only for you*

*What I'm gonna do is to get to you to give you a chance to sing  
What I'm gonna do is to get you through to give you a chance to swing  
Please now clap your hands  
Please now dance with the band*

*Right now I want to sing on stage  
Right now I want to dance on stage*

*Please now clap your hands  
Please now sing with the band  
Come on clap your hands  
Come on join the band*

*A song only for you  
A song only for you  
A song only for you  
A son only for you*
